IABS congratulates the selected consultant **IDOM Consulting, Engineering, Architecture S.A.U.**

By means of this notification, IABS invites your institution to confirm its intention to enter into the corresponding Contract, in accordance with Terms of Reference **BR-IABS-200779-CS-QCBS TDR 02/2020**, in the amount of **R\$1,126,195.46 (one million one hundred and twenty six thousand one hundred and ninety five Brazilian Reais and forty six cents)**, for the duration of **220 days**. This consulting has the **main objective of enabling the improvement of managers and technical staff of urban mobility in the public, private and civil society spheres on electromobility financing, developing/strengthening financing structures for the introduction of electric buses in Brazil, and verifying the need to increase the infrastructure for the transition to electromobility, including the development of a project financing mechanism (Facility) for Brazilian cities**, in accordance with the technical and commercial proposals submitted to IABS.

In the event of confirmation, your Institution is hereby awarded the selection process **BR-IABS-200779-CS-QCBS TDR 02/2020**, in the scope of the Transition to Electromobility in Brazilian Cities Project - TFOA9650 Grant Agreement, with a request for the Legal Representative to sign the corresponding Contract in person, at the IABS offices, or via posted documents.

Additionally, we request that the Documents listed in Annex I be presented in order to meet the requirements for signature of the contract by all parties.

**Brasília, Aug 11, 2021**

Best regards,

Lúcio Motta Fonteles

Administrative and Financial Director
